Your invitation to enter Label of the Year 2019

Ladies and Gentlemen,

The Society was founded 61 years ago in 1958 & 25 years later in 1983, we held the first Label of the Year (LOTY) event. LOTY was created for a number of reasons, to recognise excellence in label design, to thank the brewing industry for its continuing support by raising funds for charities chosen by the industry and to make current labels available to our members. We do hope that you will join with us to support this year's charity by entering one or more of our LOTY categories.

We are delighted to advise you that LOTY 2018 realised, an impressive £2,000. This was donated to Prospect Hospice, Swindon at the request of our hosts Arkell's Brewey Ltd

May we kindly request that you forward your entries for our 36th Label of the Year.

The judging will be held at Kings Head, Aylesbury on 7th September.

As always the competition will comprise of the following categories,
1) Standard Label, 2) Commemorative Label, 3) Set of Labels.

LOTY 2019 will be hosted by: Adnams PLC, Southwold, on 12th October
They have asked that we support, Fresh Start – New Beginnings
A local charity supporting children, who have endured sexual abuse.

*Please be aware that all items donated to LOTY are sold exclusively for the benefit of charity.
We do not facilitate nor condone the re-sale of LOTY items via internet auction sites.*

If you wish to enter one or more categories, please feel free to do so. They will all, of course, be more than welcome. Just complete the enclosed entry form and return with your entries to the address shown. Ideally, we would like to receive 25 to 40 of each label (or set of labels) that you are entering. However we would of course be happy to receive as many or as few as you are able to spare. If you are a new or smaller brewery and feel that the cost of the labels is an issue, please contact me, as the Society would be prepared to help towards the costs involved.

If your bottling operation is contracted out, please ask the bottling company to send us the labels on your behalf. LOTY does miss out on a lot of entries due to the increase in contract bottling and consequently the charities miss out on the extra money, we would be able to raise. Please see the entry form for details of authority to release labels.

Please bear in mind that if you are not currently bottling, we are always very grateful for donations of other items, suitable for the auction or the raffle, which will help to boost the money to be raised for this year's charity

Please may we receive your entries by Monday 2nd September

An entry form is available for download from www.labology.org.uk/?page_id=21

Thanking you in advance for your generosity, in helping us, to help UK charities for this, our 36th year.
